**They All Played Ragtime** Rudi Blesh, Harriet Janis

Rear cover notes: "THEY ALL PLAYED RAGTIME is a lively and fascinating book about a lively and fascinating American music that flowered with the dawn of this century, faded with World War I, and today is staging an unprecedented nationwide revival. Here - in an updated, expanded new edition - is the whole true story of ragtime, from its Gay 90's origins in the bordellos of Sedalia and St. Louis, to its sweeping successes in America and Europe. Here are the lives of the colorful men who created the intoxicating ragtime syncopations - authentic, homespun geniuses like Scott Joplin, James, Scott, Joe Lamb, and many more - once forgotten but now being affectionately and respectfully remembered. For general readers there are nostalgia and romance in these pages. For serious students there are exhaustive lists of composers, compositions, piano rolls, and sound recordings. For performers there are the complete piano scores of 16 rags, from yesterday to today, most of them previously unpublished and available only here."
