Yellowstone and Grand Teton National Parks Robert Scharff

From inside dust cover flap: A useful and interesting handbook, illustrated with maps and photographs in black and white. It presents the natural and human history of the two parks and their spectacular topographic and geologic features. It provides complete information on opportunities for trail riding and hiking in the wilderness back country. It describes in detail the rich array of wildlife, trees, and wildflowers, including information on how and where to catch fish -- also a complete bird checklist.
