This book is meant to help you, your family members, or any of your loved ones in their fight against diabetes. It doesn't mean that if you don't have diabetes, you don't have any role in their care. As a family member or a friend, you still have power to help them in their time of need, giving them information and knowledge that you can pass on to them in order to battle diabetes. In this eBook, you'll be learning all about diabetes, diabetes management, and ways on how you can prevent diabetes from developing in the first place.
