The page length shown above is based on a typical 300-word page. The article is delivered in HTML format and is available in your Amazon.com Digital Locker immediately after purchase. You can view it with any web browser.

From the supplier: Traveling jewelry salespersons (TJS) have become the new targets of criminals, with robberies against this group rising by over 50% in 1994. Jewelry thieves have also become more violent. In the light of these new trends, TJS should exercise more caution while security practitioners must familiarize themselves with the mode of operations of jewelry thieves and to develop appropriate preventive steps.
