Raising Our Children's Children: Room in the Heart Deborah Doucette

Based on Deborah Doucette's personal experience raising a grandchild, this book examines the myriad factors involved in kinship care, specifically when grandparents begin to raise their grandchildren. Filled with true stories from people who have raised their children's children, and including advice from Dr. Jeffrey R. LaCure throughout, this family-focused book looks at this fairly common relationship from all sides. Now in its second edition, *Raising Our Children's Children* has been updated to include recent social developments, such as the trend toward multigenerational family living where children, their parents, and their grandparents all live under one roof.
