San Antonio's Churches (Images of America)

Milo Kearney, Francis Galan

San Antonio's Churches (Images of America) Milo Kearney, Francis Galan

The towns that the Spaniards of colonial Mexico planted on their northern frontier were organized around the ideal of a close interaction between church, missionary outreach, and military. San Antonio was the most successful realization of this dream in Texas. The pattern of this tripartite approach has continued to shape the rich culture of the city down to the present. With this selection of photos, San Antonio's Churches takes a snapshot visit back through religious development throughout the three centuries of San Antonio's history.
