**The End of the World was Only the Beginning. What would YOU do... How would YOU Survive?**

VENGEANCE starts unlike any of the previous four books. We see the infection through a different set of eyes and meet two new characters.

Megan and her younger brother Sean are left to fend for themselves against the ravenous onslaught of the initial infection, no one saw coming.

With all that's happened, our once close-knit group of survivors have become divided. Those who realize the importance of the trip out into the world of Feeders and those just looking to survive.

Once the decision to go after the man capable of saving the world is made, all that's left is convincing those left behind to let them go.

Help has never been so close... or so far away!
