EU Competition Law: An Analytical Guide to the Leading Cases (Fifth Edition) Ariel Ezrachi

'This book is especially valuable for competition law specialists in Europe and abroad who are interested in the jurisprudence and policy of the European Union and its member states. Familiarity with the European regime is essential for proficiency in competition law today, and this volume provides an excellent foundation.'--William E Kovacic, Global Competition Prof. of Law and Policy, George Washington U. Law School, Former Chairman, U.S. Federal Trade Commission ***This book is designed as a working tool for the study and practice of European Competition Law. It is an enlarged and updated fifth edition of the highly practical guide to the leading cases of European Competition Law. This new edition also contains detailed coverage of State Aid law. Each chapter begins with an introduction which outlines the relevant laws, regulations, and guidelines for each of the topics, setting the analytical foundations for the case entries. Within this framework, cases are reviewed in summary form, and accompanied by analysis and commentary. This seminal text is essential reading for competition law students and practitioners. [Subject: European Law, Competition Law]
