Raising Children: 50 Life Lessons for Happy Parenting and Wise Children S M Jacobs

From Coordinating carpool schedules, wading through laundry, breaking up fights, to being careful not to over-parent nor under-parent, parenting is not an easy task. As a parent it's easy to get lost in the busyness and pressures of raising a "good child" whilst juggling work and relationships.

50 Wisdom stories have been chosen to help make parenting more enjoyable. These timeless morals, values and ethics can be applied in our daily lives to increase happiness. Passing these stories down to our children results in better behaved, more understanding and well-adjusted children.

These learning stories are presented in a "story a day" fashion and have been left without interpretations. Listening to your child's own interpretation of each story is both a fun and bonding experience and also a great chance to teach some of life's invaluable truths.

The stories are presented in a "story a day" fashion. The wisdom contained in these stories transcend time. Related quotes have been included to provide extra food for thought.
