Warren Edward Buffet is a legendary investor and one of the most respected businessmen in the world. He is the chairman, CEO and the largest shareholder of Berkshire Hathaway.

Among investing legends, Buffett has had the longest track record for beating the market. Berkshire Hathaway's stock price increased by a mind-blowing 1,000,000% between December 1964 and December 2015. The S&P 500, on the other hand, increased by "only" about 2,300% over that time. While the Efficient Market Hypothesis states that in the long term, no investor should be able to beat the market, Buffett has beaten the market in a remarkable way.

So what is his secret for being so successful at picking the right stocks? This book will reveal 41 fascinating facts about his life and investing philosophy. Each fact comes with a lesson that the readers can take away On How To Get Rich, Become Successful & Dominate Your Personal Finance From The Greatest Value Investor Of All.
