Robert Evans

A Brief History of Vice: How Bad Behavior Built Civilization Robert Evans

"Mixing science, humor, and grossly irresponsible self-experimentation, Evans paints a vivid picture of how bad habits built the world we know and love."

—David Wong, author of *John Dies at the End*

History has never been more fun—or more intoxicating.

Guns, germs, and steel might have transformed us from hunter-gatherers into modern man, but booze, sex, trash talk, and tripping built our civilization. *Cracked* editor Robert Evans brings his signature dogged research and lively insight to uncover the many and magnificent ways vice has influenced history, from the prostitute-turned-empress who scored a major victory for women's rights to the beer that helped create—and destroy—South America's first empire. And Evans goes deeper than simply writing about ancient debauchery; he recreates some of history's most enjoyable (and most painful) vices and includes guides so you can follow along at home. You'll learn how to:

- Trip like a Greek philosopher.
- Rave like your Stone Age ancestors.
- Get drunk like a Sumerian.
- Smoke a nose pipe like a pre-Columbian Native American.

A celebration of the brave, drunken pioneers who built our civilization one seemingly bad decision at a time, *A Brief History of Vice* explores a side of the past that mainstream history books prefer to hide.
