Ezekiel: A Commentary (The Old Testament Library) Walther Eichrodt

This volume brings to life the ministry and message of one of the most neglected of the major Old Testament prophets, and illuminates one of the most fascinating chapters on the history of Israel. Besides giving a verse-by-verse commentary of the Book of Ezekiel, Walther Eichrodt fully discusses its origin and composition and all the knotty problems of the prophet's own activity.

The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys. The contributors are scholars of international standing.
