Here are three delightfully offbeat stories, now combined in one large-format volume, by award-winning author/illustrator John A. Rowe. These highly imaginative tales about the adventures of baby animals entertain children as they teach important lessons. In *Baby Crow*, the title character wants to sing like his talented grandfather, but learns he must find his own unique voice. *Smudge*, a misplaced baby rat, is taken in by several animal families before being returned to his own rat family where he finally "fits in." And *Peter Piglet* tells the story of a bored baby pig whose life is given an exciting boost when he finds a pair of golden shoes, but learns that life can still be exciting even after the shoes are taken away. All are accompanied by Rowe's fantastic illustrations.
