Forgotten Bookmarks: A Bookseller's Collection of Odd Things Lost Between the Pages Michael Popek

It's happened to all of us: we're reading a book, something interrupts us, and we grab the closest thing at hand to mark our spot. It could be a train ticket, a letter, an advertisement, a photograph, or a four-leaf clover.

Eventually the book finds its way into the world—a library, a flea market, other people's bookshelves, or to a used bookstore. But what becomes of those forgotten bookmarks? What stories could they tell?

By day, Michael Popek works in his family's used bookstore. By night, he's the voyeuristic force behind www.forgottenbookmarks.com, where he shares the weird objects he has found among the stacks at his store.

Forgotten Bookmarks is a scrapbook of Popek's most interesting finds. Sure, there are actual *bookmarks*, but there are also pictures and ticket stubs, old recipes and notes, valentines, unsent letters, four-leaf clovers, and various sordid, heartbreaking, and bizarre keepsakes. Together this collection of lost treasures offers a glimpse into other readers' lives that they never intended for us to see.
