## **Haiku** Stanley Greaves

Head in the air, feet on the ground, gardens, household objects, frogs, dogs, birds, kites and a host of other flora, fauna, rocks and stones find their place in the fertile mind of a poet, painter, sculptor and musician who has lived long enough to accumulate wisdom. The pleasures are both singular and collective: in the polished economy of phrase, form and the moments of surprise, and in the accumulating sense of entering a world that it is a privilege to share. Not least of the pleasures are the eight pieces of original artwork: ink, brush and pen drawings and collages that offer an alternative vision to the poems.
