The 10-Hour Series covers a variety of important technology-based business skills with short texts that can be completed in ten hours. The Internet and technology are used extensively in this series for research, instruction, and application. These books, many supported by data disks or CDs, are brief, uncomplicated, and activity-based, requiring minimal instructor intervention. On-Line Resumes and Job Search teaches students time-proven strategies for successful job finding. These include everything from assessing one's abilities in a personal inventory, evaluating job descriptions to creating professional resumes and preparing for a job interview.
