This is a handy, comprehensive guide to a wide range of topics relating to the awesome power and cult of Satan, in myriad forms and under many different names, from ancient times to the present. Distilled from hundreds of reliable sources both religious and secular, the entries include men and movements, orders and objects, rites, rituals, incantations, legends, and occult practices that have fascinated the mind of man through the ages.

This book contains facts relating to a host of unorthodox beliefs and irrational acts which have only recently come to light. The simple manner in which even the most abstruse topics are handled will open the mysterious world of darkness to readers with no prior knowledge of the occult and to intrigue and inform those who seek to extend their knowledge of the subject. This lexicon defines all terms in satanic lore and witchcraft as well as offering sketches of prominent figures in the field over the centuries.
