The Least of the Apostles Dennis E. Ingolfsland

Learn more about Paul's ministry and message in one week than many Christians have learned in a lifetime. The Least of the Apostles, which is how Paul described himself, is designed to be a simple, easy to read, overview of Paul's ministry and message. The book places a carefully condensed version of Paul's letters chronologically into the historical story of Paul's ministry as recorded in the Book of Acts. Brief introductions to each letter and footnotes on historical background help the reader better understand Paul's ministry in the broader context of ancient Roman history.
