**Learn more about your woman, your wife, or your girlfriend.** Are you puzzled with the complicated patterns of a woman's mind? Do you wonder what you did wrong, how they think, or what turns them on? Women have a unique way of thinking. Their brains and hormones are wired differently. Sometimes, men get confused when an unpredicted emotion appears or his partner's logic deviates from his own. In this book, you will discover more of the secrets and mysteries of what a woman truly wants, and what causes her to behave a certain way. Of course every woman is different and special in her own kind of way, but learning to recognize certain patterns can help you understand her more and aid your relationship in a wonderful way. You will read among others about:

How to please a woman, and how to communicate with her effectively.

The sexual triggers in a woman's brain. The way her emotions and perception of the subject are related to her feelings for intimacy.

Helping the woman in your life to cope with stress, lack of self-esteem, or argumentative tendencies.

The truth about her self-image and some advice about how you can make her feel like royalty, something she desperately longs for.
