Rooting their work in Ignatian Spirituality, Catholic Social Teaching, student affairs best practices, and a 21st century understanding of a spirituality of communion, these authors offer a proven resource for the formation of student leaders. Each section provides real-world examples of how to engage students in effective practices that both teach the individual and build the community. Starting from the premise of Reverence, the 5 steps build in this way: (1) Love everyone: Find God in all things; (2) Share the others joy or hurt: Be attentive; (3) Love your enemy: Cura Personalis; (4) Be the first to love: Be creative companions in service; (5) Love one another: Be men & women for others. This resource is inspired by the lives and experiences of actual student leaders with a thorough understanding of student development theory and professional practice.
