Foreword by Chris Madson, editor, Wyoming Wildlife magazine.

Featuring a collection of images more than forty years in the making, *Colorado Wildlife Portfolio* is a true photographic treasure, pairing spectacular images of wildlife with fascinating and informative captions detailing the photographer's experiences in the field. See bighorn rams at war in the rugged low country; tiny, highstrung pikas harvesting food on talus and tundra slopes; monstrous bull elk bugling thunderously as they succumb to the natural drives of the fall rut in timeless fashion; and so much more.
