Outlaw: How I Became Britain's Most Wanted Man Ray Bishop

Ray Bishop was on the run, skulking in a dealer's house in north London, when an image of his face flashed up on the TV, accompanied by a public warning. The assembled company were aghast, and Ray felt sick at what he saw. How had he become Britain's most wanted man? *Outlaw* is Ray's brutal, shocking, adrenaline-soaked autobiography. The narrative starts on a council estate in South East London, where he and his friends were regularly brutalized by the police. He got involved in petty crime, and was dispatched to various notoriously violent youth-detention centers, all of which served to criminalize him, and others like him, much further. He graduated with flying colors to a career in London's underworld as an armed robber, a drug smuggler, and a people trafficker, developing a serious addiction to cocaine and heroin along the way. Ray eventually wore himself out, and enrolled in a rigorous rehabilitation program which provided him with a path to redemption. In 2010 he realized his childhood dream of becoming British Middleweight Boxing Champion. A truly inspirational turnaround, and a riveting life story.
