Alliance (Descendants Saga) (Volume 6) James Somers

ALLIANCE- Brody West and the Descendants in Ireland, having defeated Black's Automaton army in London, have enjoyed nine years of peace despite a World War brewing among the human nations fueled by Lucifer and Southresh. However, the three cherubim have been busy, recreating the devastation they caused on the spiritual plane upon their release. With Black under their control they intend to harness the power of the one of the most deadly Descendant races in order to push into the mortal world. Meanwhile, Lucifer prepares to unleash his protege, Adolf Hitler, upon an unsuspecting world. However, he must first rid himself of Brody West and those who follow him, and there may not be anything they can do to stop him this time. VENDETTA- The Descendant races have been decimated during the final battle within the Spiritual Realm. Black and the Cherubim have been consigned to Tartarus. But a few have survived. Adolf, with the aid of Lucifer, has gone on to achieve great power, conquering nations in a struggle to attain world domination. But the second world war hasn't gone as planned and the Allies are turning the tide. Adolf is working on an endgame plan that will either overthrow the Allied Powers and win him the war, or leave the world to consume itself. At this critical time in world history, there are only a few Descendants like Brody West who remain. But can they do anything to stop him?
