Caligari Truespace3 for Dummies E. W. Swan

Provides the basics that should help novice illustrators and 3-D professionals use and understand trueSpace. While covering both the entry-level trueSpace/SE and the professional level trueSpace 2, this book explains elementary and advanced 3-D design applications. A CD packaged with the book provides samples of 3-D objects that will get the reader started on designing and animating 3-D images.
