*For courses in Human Sexuality*

**Help each student develop a sexual philosophy based on choice, awareness, and responsibility**

*Human Sexuality* presents a relatable overview of the discipline that inspires students to think critically about the sexual world and their place in it. By taking an interpersonal approach and encouraging each student to develop a personal sexual philosophy, author Roger Hock helps students connect the material covered to their real-life decisions and behaviors, boosting engagement with the course. Sensitivity to diverse groups — not only in terms of race and ethnicity, but also in terms of sexual orientation, age, sexual knowledge, and sexual experience — allows all students to feel as comfortable and open about sexual topics as possible. The Fourth Edition includes updated data as well as coverage of contemporary issues that dominate today's headlines to ensure currency and relevancy.

**Also available with MyPsychLab®**

MyPsychLab for the Human Sexuality course extends learning online to engage students and improve results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. Please note: this version of MyPsychLab does not include an eText.

*Human Sexuality*, Fourth Edition is also available via **REVEL™**, an immersive learning experience designed for the way today's students read, think, and learn.
