Following the success of Always Loyal, his first photo book featuring amputee veterans from the wars in Afghanistan and Iraq, Michael Stokes presents a second book highlighting the bravery and recovery of wounded veterans. Sixteen veterans participated in this project - five from the United Kingdom.

Michael's sexy photos of wounded veterans have been shared around the world and have been featured on television on Good Morning America, The Today Show, The Tonight Show, CNN, The View, and The Talk. They have been featured in several major newspapers and online periodicals around the world, including The Independent UK, The Mirror UK, The Drudge Report, The Huffington Post, The Huffington Post (French Edition), Cosmopolitan, People magazine, BuzzFeed, and Vanity Fair Italy, just to mention a few.

To date Michael has raised 32,500 for veteran's charities. From the proceeds of this book \$15,000 will go to The Semper Fi Fund by the end of 2016, bringing his charitable donations to veteran's groups to \$47,500.

As a student, I exactly feel bored for you to read. If their teacher requested them to go to the library in order to make a summary for some guide, they are complained. Just minor students that have reading's heart and soul or real their hobby. They just do what the teacher wants, like asked to go to the library. They go there but nothing reading critically. Any students feel that reading is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs.
