With this Parent Guide, get parents and teachers working together to increase student achievement. This helpful guide allows parents to easily reinforce what the teacher is doing in the kindergarten classroom and turn everyday actions into learning opportunities for their children, bridging the gap between school and home.

About Shell Education

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
