After watching his wife be pleased by another man, Jarrod has put a stop to their experiment in cuckolding. He thought it would be something that could bring them closer together but he felt terrible during the entire experience. His perfect and innocent wife, Riley, would completely understand and be happy going back to being a monogamous couple. Right??? WRONG! Riley's new lover took her to places that her husband had never managed to. She loved her husband but he was the one that wanted her to try this, and she was not going to go back to just one man! Especially not when that one man had never taken the time to figure out how to really please her. Jarrod was going to have to learn to share and learn to give his wife the kind of pleasure she needed!
