Tequila & Temptation Marshall E Gass

Tequila and Temptation is the fourth volume of poetry from the pen of Marshall E Gass. This collection contains more personal, introspective writings than the first three, while maintaining the elevated standards of contemplation and linguistics which are the essence of Marshall's writings. In his own words: ""These poems take me back to a time when I was molting, shedding my skin and growing a thicker layer of fat to overcome the brutality of being young and foolish. These poems jump across many boundaries and climb many new fences. They speak from the heart. They are testament to a time and place where I have been and what I have done and how I have done it."" -Marshall E Gass
