The Tragedy of Errors & Others: With Essays and Tributes to Recognize Ellery Queen's Seventieth Anniversary Ellery Queen

“ELLERY QUEEN IS THE AMERICAN DETECTIVE STORY” So wrote the great critic Anthony Boucher about the contributions of Ellery Queen to the mystery story. Queen appeared in novels and short stories, in the movies and on television, on the radio and even in comic books.

In honor of the seventieth anniversary of the first Ellery Queen novel, Crippen & Landru is proud to publish the first completely new Ellery Queen book in almost thirty years. “The Tragedy of Errors” is the lengthy and detailed plot outline for the final, but never published EQ novel, containing all the hallmarks of the greatest Queen novels—the dying message, the succession of false solutions before the astonishing truth is revealed, and scrupulous fairplay to the reader. And the theme is one that Queen had been developing for many years: the manipulation of events in a world going mad by people who aspire to the power of gods.

The Tragedy of Errors and Others also contains the six hitherto uncollected Ellery Queen short stories, and a section of essays, tributes, and reminiscences of Ellery Queen, written by family members, friends, and some of the finest current mystery writers.
