Astrid Cane Anonymous

In the same deliciously corrupting tradition as the Victorian erotic classic, *First Training*, *Astrid Cane* tells the story of a young girl in the midst of self, and sexual, discovery.

At the tutelage of her friend and dominatrix, Julia, Astrid will learn the sweeping art of the rod, birch, cane, and palm, in one orgiastic scene after the other. Lost in wild abandon, she will be dominated and, in so being, will learn to bend all, men and women, young and old alike, to her every libidinous and lustful whim.

Written anonymously in 1890, *Astrid Cane* is a delicious example of Victorian era erotica, replete with a wonderfully graphic prose that slips and slides naughtily off the tongue.
