Enduring Vietnam: An American Generation and Its War James Wright

The Vietnam War is largely recalled as a mistake, either in the decision to engage there or in the nature of the engagement. Or both. Veterans of the war remain largely anonymous figures, accomplices in the mistake. Critically recounting the steps that led to the war, this book does not excuse the mistakes, but it brings those who served out of the shadows.

Enduring Vietnam recounts the experiences of the young Americans who fought in Vietnam and of families who grieved those who did not return. By 1969 nearly half of the junior enlisted men who died in Vietnam were draftees. And their median age was 21?among the non-draftees it was only 20. The book describes the “baby boomers” growing up in the 1950s, why they went into the military, what they thought of the war, and what it was like to serve in “Nam.” And to come home. With a rich narrative of the Battle for “Hamburger Hill,” and through substantial interviews with those who served, the book depicts the cruelty of this war, and its quiet acts of courage.

James Wright's *Enduring Vietnam* provides an important dimension to the profile of an American generation?and a rich account of an American War.

From reader reviews:

John Solorio:

Reading a book tends to be new life style on this era globalization. With studying you can get a lot of information which will give you benefit in your life. Together with book everyone in this world can share their idea. Publications can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or maybe their experience. Not only the storyline that share in the books. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors these days always try to improve their talent in writing, they also doing some investigation before they write to the book. One of them is this Enduring Vietnam: An American Generation and Its War.
