Our Extra Large Word Scramble Puzzle Books Are PERFECT For Anyone With Vision Problems!

When we decided to make a series of extra large word search books we never dreamed how many lives we would touch.

We have received so many glowing reviews from people that bought them for a loved one that had vision problems like macular degeneration or are legally blind and it makes us so happy that we can bring a little joy into their lives.

If my Mom were still with us she would be smiling as the idea came from her frustration with store bought large print word search puzzle books.

You see, the print in those books just wasn't large enough for her failing eyes so I designed a series of "Extra Large" word find books for her and she was thrilled when we gave her our first one.

This fun book features a new twist on the traditional word search book. Instead of word searches we feature themed lists of scrambled words:

- Each page features 15 scrambled words based on a particular theme like Card Games.
- The lists are a gigantic 30 point font making it easy to read for anyone with vision problems!
- The answers are conveniently located in the back.

Here is a sample of a puzzle:

CARD GAMES

BCAAJLKKC _____

ACTSANA _____

CBBEGIRA _____

HRUCEE _____

ISHF _____

And here are the answers:

BLACKJACK

CANASTA

CRIBBAGE

EUCHRE

FISH

I am confident that even those with the poorest eyesight will be able to work these extra large word scramble puzzles. Just do a “Look Inside” to see how large the puzzles are and then order one for yourself or a loved one today!
