Italian-American Folklore (American Folklore Series)

Frances M. Malpezzi, William M. Clements

Italian-American Folklore (American Folklore Series) Frances M. Malpezzi, William M. Clements
Italian-Americans compose one of the largest ethnic groups in the United States. Though they have often been portrayed in fiction and film, many of these images are based on stereotypes not borne out among the immigrant and assimilated population. *Italian-American Folklore* draws its material directly from Americans of Italian descent in both urban and rural communities. The result is a book that, while strongly anchored in scholarship, is readable, entertaining, and illuminating. Chapters on folk speech, superstitions, folk medicine, games, and more tell of customs common to Italian-Americans. But the authors have also taken pains to stress the importance of regional ties, detailing how customs vary among the Italian provinces, and how those differences have traveled to Italian-American communities as well.
