#### **Samantha Smith:**

As a university student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's soul or real their pastime. They just do what the educator want, like asked to go to the library. They go to right now there but

nothing reading really. Any students feel that reading through is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this New Directions in Satellite Communications: Challenges for North and South (Artech House Telecommunication Library) can make you feel more interested to read.
