Increasingly many are concerned about the direction the world is headed, about the rise of terrorism and Islam, and what is seen as the decline of America. The big question is, "Where is all this leading us?" The book of Revelation is the record of earth's last seven years, recording where the apostasy of the church is leading us; where the brutality of the Islamic State is steering us; why Great Britain, the United States, Russia, and Islam is on the world stage influencing world events; how the New World Order will come into existence. where the Antichrist will come from, and answering the question: "Is the Antichrist among us today?" Revelation and the Age of Antichrist is truly a twenty-first century guide through the book of Revelation. In Revelation and the Age of Antichrist, author Steve Magill follows the natural ordering of the book of Revelation to also reveal the ordering of last day events: apostasy, appearing of Antichrist, the great tribulation, the rapture, the day and hour of God's final judgments, the millennium, the great white throne judgment, and our entrance into eternity.
