Robot Universe: Legendary Automatons and Androids from the Ancient World to the Distant Future Ana Matronic

Explore the *Robot Universe*, and discover the hundred most epic androids and automatons from myth, through popular culture, to modern-day machines. Robot aficionado Ana Matronic—vocalist with world-famous band Scissor Sisters—explores their creation, design, purpose, and how they have comforted, fascinated, or terrified us across the ages and galaxies, profiling key sidekicks, servants, saviors, murder machines, cyborgs, and others in every genre. In-depth features cover special focus topics, such as robots in art and fashion, video games and comics, and music. This richly illustrated collection deftly shows how we have defined and redefined robots, why they capture our imagination, and why they're here to stay, ending with a look at real-life robots from early prototypes to what lies in our robotic future.
