Sketchbooks: The Hidden Art of Designers, Illustrators, and Creatives Richard Brereton

Now published in paperback, *Sketchbooks* provides a revealing glimpse into the inner workings and private inspiration of creatives from the worlds of advertising, design, graphic design, fashion design, art, street art, and illustration. The material is complemented by interviews in which artists explain how they use their sketchbooks and how they relate to finished works. These, along with the sketchbooks themselves, give readers a direct and unmediated insight into the process of research and creation.
