The Red Sphinx: A Sequel to The Three Musketeers

Alexandre Dumas

The Red Sphinx: A Sequel to The Three Musketeers Alexandre Dumas

For the first time in English in over a century, a new translation of the forgotten sequel to Dumas's *The Three Musketeers*, continuing the dramatic tale of Cardinal Richelieu and his implacable enemies.

In 1844, Alexandre Dumas published *The Three Musketeers*, a novel so famous and still so popular today that it scarcely needs introduction. Shortly thereafter he wrote a sequel, *Twenty Years After*, that resumed the adventures of his swashbuckling heroes.

Later, toward the end of his career, Dumas wrote *The Red Sphinx*, another direct sequel to *The Three Musketeers* that begins, not twenty years later, but a mere twenty days afterward. *The Red Sphinx* picks up right where the *The Three Musketeers* left off, continuing the stories of Cardinal Richelieu, Queen Anne, and King Louis XIII and introducing a charming new hero, the Comte de Moret, a real historical figure from the period. A young cavalier newly arrived in Paris, Moret is an illegitimate son of the former king, and thus half-brother to King Louis. The French Court seethes with intrigue as king, queen, and cardinal all vie for power, and young Moret soon finds himself up to his handsome neck in conspiracy, danger and passionate romance!

Dumas wrote seventy-five chapters of *The Red Sphinx*, all for serial publication, but he never quite finished it, and so the novel languished for almost a century before its first book publication in France in 1946. While Dumas never completed the book, he had earlier written a separate novella, *The Dove*, that recounted the final adventures of Moret and Cardinal Richelieu.

Now for the first time, in one cohesive narrative, *The Red Sphinx* and *The Dove* make a complete and satisfying storyline—a rip-roaring novel of historical adventure, heretofore unknown to English-language readers, by the great Alexandre Dumas, king of the swashbucklers.
