## **Antwerp Resized** Jasper Léonard

- Discover the world in a whole new way with original photography by the young artist Jasper Léonard
- The photographs in this book, although taken of actual-size subjects, appear to be of miniature models

Antwerp as never seen before, viewed through the eyes of this urban photographer from Antwerp.

An original photo book for Belgians and tourists alike. Amazing, realistic or staged, actual size or miniature? The pictures seem to emerge from the classic film *Honey, I Shrunk the Kids*. With his home-built lenses, Jasper Léonard wanders about everywhere in order to capture life in the big city. He works from rooftops, lifting platforms, occasionally even from a helicopter. In contrast to the well-known Slinkachu, he shows the world as it is, yet in miniature form.

Text in English and Dutch.

Jasper Léonard (1985) graduated in 2010 from Sint-Lucas with an MA in visual arts, but since his childhood, he was always fascinated by photography. Since 2012, he has been Antwerp's urban photographer.

Why? Because this Antwerp Resized is an unordinary book that the inside of the guide waiting for you to snap the idea but latter it will zap you with the secret the idea inside. Reading this book adjacent to it was fantastic author who also write the book in such wonderful way makes the content within easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of advantages than the other book include such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

#### Christopher Hill:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's soul or real their hobby. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Antwerp Resized can make you feel more interested to read.
