Endeavor for Renewal (Broken Jug Series) M. Fethullah Gulen

True renewal is realized by retaining the purity of the seed and the root, and by synthesizing an entire inheritance of values with new thoughts and wisdom appropriate to the age. A thorough revival can only be realized with the efforts of the spirit, intellect, feelings, and willpower working in concert. Utilizing the spirit's power to the fullest, making flawless use of the knowledge inherited from the past, being constantly open to spiritual breezes of inspiration, not being trapped by blind imitation, and always following a sound methodology are some dynamics of an ideal renewal.

The vigorous souls with steel willpower must keep running on the path of serving humanity with an insatiable love for research, an ever-evolving passion for knowledge of God, and an otherworldly profundity beyond comprehension. This book conveys the feelings and thoughts of a person who has dedicated his life for the coming of such a generation and who suffers, in heart and mind, for this noble ideal.
