## **Florida's Fossils** Robin C Brown

Florida is one of the finest places to hunt fossils in North America. For 50 million years Florida was home to hordes of strange and wonderful animals. Their remains accumulated in rivers, springs, and oceans. Today fossilized bones and teeth wash up along streams, banks, and beaches and lie in limerock quarries. Learn how and where to hunt fossils--with maps, means of identification, and the history of these fossil treasures. Complete, accurate, and fully illustrated, including an outstanding identification section and three original paintings by Christopher Kreider.

This revised edition contains the latest information on where to hunt fossils in Florida and completely updated appendices.
