Oklahoma City has a fascinating history. By 1907, when Oklahoma became a state, the diversity of business, entertainment, industry, manufacturing, and transportation was experiencing rapid development. Contained within Oklahoma City Rediscovered is the story of four aspects of that development: Deep Deuce with the rise of blues and jazz music, town site development with the goal of establishing a seat of government with the founding of Capitol Hill, manufacturing that led to the warehouse district that evolved into the premier entertainment area known as Bricktown, and transportation with the love affair of the automobile along a major thoroughfare downtown that was devoted to showcasing the latest models of cars to capture the fancy of the public.
