"A Real World Internet Marketing Bible" - Steven Joesephs

Is your Website the Laziest Member of Staff?

If it is, then this is the book that you've been looking for! It will change your business forever. The business driving "internet marketing secrets" you'll find inside haven't been learnt from books but from thousands of hours online marketing for small business and companies since 1996.

- \* Discover what the search engines want and how to use SEO properly.
- \* Leverage other people's traffic through link building.
- \* Tap into the power of email marketing and list building.
- \* Create a social media explosion by becoming crowd clever
- \* Share your business expertise via video sharing
- \* Implement content marketing to get found everywhere
- \* Plan your marketing so you can focus your time on what matters

The Billion Dollar Blueprint covers the 7 essential steps to getting more business online in less time. Each step will teach you shortcuts, tried & tested techniques and skills gleaned from over 16 years experience selling multi millions of dollars in products and services online through Internet marketing.

You'll learn how to turn your website from a brochure to a lead generating, profit producing, automated machine that will become your busiest member of staff.
