The Reluctant Farmer of Whimsey Hill Bradford M. Smith, Nancy Raven Smith, Lynn Raven

In *The Reluctant Farmer of Whimsey Hill*, opposites attract; for better or for worse. That is what troubles animal-phobic, robotics engineer Smith who just got married. He learns that his bride's dream is to have a farm where there are lots of animals and she can rescue ex-race horses to retrain and find them new homes. But according to a Meyers-Briggs Personality Test that they took for fun, their marriage is doomed. There is only one problem: the newlyweds took the test after the wedding.

Whether Smith is chasing a cow named Pork Chop through the woods with a rope, getting locked in a tack room by the family pony, being snubbed by his wife's dog, or unsuccessfully trying to modernize their barn using the latest technology, the odds are stacked against him. It seems like everything with four legs is out to get him. Will the animals win, forcing Smith to admit defeat, or will he fight to keep his family and the farm together?

Enjoy the true, warm, and frequently hilarious stories of Smith's journey along the bumpy road from his urban robotics lab to a new life on a rural Virginia farm.
