Malcolm Webber is still grieving the loss of his partner of twenty years to cancer. He's buried his mind and feelings in his legal work and isn't looking for another relationship. He isn't expecting to feel such a strong attraction when he meets Hans Erickson--especially since the man is quite a bit younger than him.

Hans is an adventure writer with an exciting lifestyle to match. When he needs a tax attorney to straighten out an error with the IRS, he ends up on the other side of the handsome Malcolm's desk. The heat between them is undeniable, but business has to come first. When it's concluded, Hans leaps on the chance to make his move.

Malcolm isn't sure he's ready for the next chapter in his life. Hans is so young and active that Malcolm worries he won't be able to hold his interest for long. Just when he's convinced himself to take the risk and turn the page, problems at the law office threaten to end their love story before it can really begin.
