Mary Wright:

As a scholar exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make a summary for some reserve, they are complained. Just minor students that have reading's heart or real their passion. They just do what the educator wants, like asked to go to the library. They go to at this time there but nothing reading really. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this era, many ways to get whatever we wish. Likewise words say, many ways to reach Chinese's country. Therefore this You Know You Are An Engineer... can make you feel more interested to read.
