## **Bleeding Kansas: Slavery, Sectionalism, and Civil War on the Missouri-Kansas Border (Critical Moments in American History)** Michael Woods

Between 1854 and 1861, the struggle between pro-and anti-slavery factions over Kansas Territory captivated Americans nationwide and contributed directly to the Civil War. Combining political, social, and military history, *Bleeding Kansas* contextualizes and analyzes prewar and wartime clashes in Kansas and Missouri and traces how these conflicts have been remembered ever since. Michael E. Woods's compelling narrative of the Kansas-Missouri border struggle embraces the diverse perspectives of white northerners and southerners, women, Native Americans, and African Americans. This wide-ranging and engaging text is ideal for undergraduate courses on the Civil War era, westward expansion, Kansas and/or Missouri history, nineteenth-century US history, and other related subjects. Supported by primary source documents and a robust companion website, this text allows readers to engage with and draw their own conclusions about this contentious era in American History.
