These **triumphant stories of everyday courage** will enlighten and inspire you. *Calling All Angels* exemplifies how inextricably we are all linked across social and economic spectrums. You will become aware of the **universe of startling connections** that we often miss due to the distractions and preoccupations while trying to stay in our own lane while navigating our own lives. These illustrations also show how **one can choose his/her attitude in any given set of circumstances**, just as Viktor Frankl demonstrated to us in his book, *Man's Search for Meaning* (Buccaneer Books, 1993). This book is designed for anyone who has, or desires to **experience angelic messages** in his or her own unique way. The concept of angels and the part they play in a person's life are nothing new and they are especially not anything new in the literature of today.
