Temporal Dreams Lesley L. Smith

What if Dreamtime is real? In Boulder, Colorado former foster-kid Kairi Johnson's dream is to start a family of her own but, instead, she ends up trapped twenty years in her past. She discovers she can time-travel but it's not as simple as it first appears. Each successive time trip results in more and more people getting hurt: she loses her fiancé and her best friend and discovers she's the reason for her parents' deaths. All seems lost until she meets a fascinating stranger, Kyle. Perhaps, he's not a stranger at all? In Sydney, Australia twenty-five-year-old Kyle Barada is heir to his clan's Time Travel business. When his dad dies under suspicious circumstances, Kyle vows to find out what happened to him. He discovers a mysterious relative has been working against him, secretly foiling him at every turn. All seems lost until he tracks down missing clan member, Kairi. Can Kairi and Kyle time-travel together and save everyone they love?
